Dear Parents

I am delighted to share with you our recent Ofsted Report following our inspection on July 12th 2016. Please also find a letter from our Chair of Governors, Dr Ulric Wilson.

We are very pleased that our one day inspection recognises and highlights the very many areas of strength in the school. It reflects the commitment of all staff, the effectiveness of the Board of Governors and our wonderful children who work hard and enjoy their learning.

We have already begun to move forwards with the areas identified for development and new strategies have been implemented. I look forward to sharing our progress with you throughout the coming year.

The staff and I would like to take this opportunity to thank you for your support and extremely positive response during the inspection process.

Kind regards
