SATs City

In an effort to help everyone achieve their full potential, we are once again, going to be hosting SATs City at school, beginning **Thursday 26th April**. The sessions will run each school day up to and including **Friday 18th May**, from **8:00am - 8:40am**. The doors will open at **7.50am**.

At the end of each session, the children will go straight into class to begin their school day.

This provides all of our Year 6 children with the opportunity to come into school from 8 o'clock each morning, where staff will be on hand to help them look at some SATs problems in a light-hearted but useful way. As in previous years, there will be breakfast available to help get the day started the right way – toast, bagels and juice!

Children are free to attend as many, or as few, sessions as you and they feel appropriate. We have found that all the children who have attended in previous years have enjoyed the experience and found it useful in their preparation for SATs week.

We look forward to seeing as many Year 6s as possible!

Best regards,

Y6 team
