

WEEKLY NEWS 2.2.18

This week Years 1 and 2 have had a very busy and fun filled week! Alongside getting ready for the Collective Worship, they have been making naan bread in their classes, thoroughly enjoying exploring where the bread originates from and how it is cooked in a traditional tandoori oven. They have also been developing their understanding of money learning about how to give change and check they have been given the correct amount!

Green Morning

The children had an amazing time this morning getting the school grounds ready for spring time. Thank you to you all for your support on what was a beautiful but very cold morning! We thought we would share some pictures with you.

The children had to think about the use of imperative verbs as well as other features of instructions. They had great fun working together and building them, their creations looked fantastic but

tasted even better! We had a very exciting visitor in school yesterday. Bella and Lottie's granny, Fiz, came to talk to the children about archaeology and Roman artefacts. Having worked at the British History museum in London, Fiz was able to talk to the children about how the Romans made and used pottery. She brought in many different examples of archaeological finds which the children found fascinating. It was amazing to think that the Romans used this pottery over a thousand years ago. Fiz even showed them some fingerprints that would have been over a thousand years old.

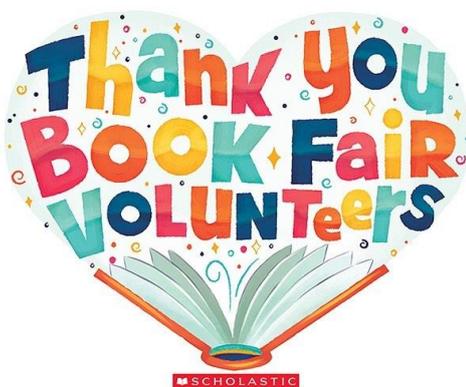

The children in Foundation Stage have enjoyed some baking this week! We have been busy making banana muffins. The children have looked at following a recipe and have all been involved in weighing, measuring and mixing. We looked at how the individual ingredients all changed as they were combined. The children were all very excited to bake muffins, and equally as excited to take them home and taste them!

SPORTING NEWS

Wow! What a busy and exciting week in sport we've had! We started the week with a visit from Olympic gold medallist Shona McCallin. She spoke about the different pressures that she faces and how she deals with these. The children were captivated by her assembly and asked lots of great questions.

On Wednesday, our Legacy Tour began in school. Our Sport Ambassadors did a fantastic job in presenting the assembly and promoting the tour. They spoke about the different events that are taking place this year and the importance of keeping healthy and staying physically active. The children will have their legacy challenges to complete in the upcoming term.

Book Fair

Our school needs you! The Scholastic Book Fair is coming soon and we need volunteers to help with setting up and running it after school. **Are you free** between 3:00pm-4:15pm on any of these days **22nd, 23rd, 26th, 27th February?**

Our school can earn **FREE BOOKS** for every book sold at the Fair so this is a great opportunity to stock up our classrooms with brand new resources! If you can spare some time to help, please complete the form sent out on Parentmail. **THANK YOU!**

E-Safety Presentation

Our E-safety Adviser, Alan MacKenzie is holding an event for parents on Monday 12 March 2018 at 7pm at Malcolm Sargent Primary School. The event is open to all primary school parents in Stamford. Please send flyer for details.

E-Safety Presentation
