

To inspire  
a love  
of learning

St Gilbert's Church of England  
Primary School

“I never knew that  
maths could make my  
heart beat so fast!”

— Izzy, Year 5

Inspirational teaching  
Our children flourish as  
confident and independent  
learners.

“I love that we never  
stop learning!”

— Harley, Year 4

A vibrant curriculum  
Our children’s imaginations are  
set alight to explore and fulfil  
their own potential.

“The school, through its distinctive Christian character, is outstanding at meeting the needs of all learners.”

— Diocese of Lincoln

A loving, Christian school family  
We value each child and take  
pride in their achievements.

“One notable aspect of the school’s highly effective care for individual pupils is the support provided for any whose circumstances may make them particularly vulnerable, to ensure that they keep up with their classmates.”

— Ofsted

Every child is unique  
We nurture and encourage a  
child’s individual needs and  
strengths.

“As you go through school you get more independent. This is good because when you grow up, you will know what to do when you find something hard.”

— Miia, Year 4

“Spiritual, moral, social and cultural development is outstanding.”

— Ofsted

Confident, mature and caring  
We develop a child's self-belief, confidence and maturity and promote consideration and appreciation for others.

“Youth University and clubs mean we can try different things out that we might not have done before.”

— Hana, Year 3

Giving your child more  
Every child has the opportunity to shine and is encouraged to take advantage of all the school offers, both during and after the school day.

“When you succeed, you feel good that you’ve achieved something and people are proud of what you’ve done.”

— Hana, Year 3

We are proud of our children  
and all they achieve.
