

Sports Premium 2013-2014

What is the Sports Premium?

In March 2013 the government announced that it was to provide additional funding of £150 million per annum for academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools in England - The Primary PE & Sport Premium.

This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - is allocated to primary school headteachers. The funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Schools must spend this funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. The Department for Education suggest that schools consider using this funding for:

- Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- Supporting and engaging the least active children through new or additional Change4Life clubs
- Paying for professional development opportunities for teachers in PE and sport
- Providing cover to release primary teachers for professional development in PE and sport
- Running sport competitions, or increasing pupils' participation in the School Games
- Buying quality assured professional development modules or materials for PE and sport
- Providing places for pupils on after school sports clubs and holiday clubs
- Pooling the additional funding with that of other local schools.

How much is our school receiving?

Our school is receiving £8,000 plus £5 for every child on role (aged 5-11). This is approximately £9,600

How is it being used?

Action	Reason	Money Spent	Provision	Impact	Running Total

Balance					£18.44

How will it be measured?

- Lesson observations will be undertaken with teachers working towards delivering good and outstanding lessons
- Children will complete a questionnaire at the end of the Term 4 and Term 6 to gauge attitudes towards the sport offered to them and. School will action forwards using Sports Premium income over the next years.
- School will audit the participation in clubs and events - particularly for pupils who receive pupil premium funding and promote with those who are not accessing it.
- Monitoring of outdoor activities through observation
- Register of participation of pupils across the school
