

Sports Premium 2014-2015

What is the Sports Premium?

In March 2013 the government announced that it was to provide additional funding of £150 million per annum for academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools in England - The Primary PE & Sport Premium.

This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - is allocated to primary school headteachers. The funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Schools must spend this funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this. The Department for Education suggest that schools consider using this funding for:

- Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- Supporting and engaging the least active children through new or additional Change4Life clubs
- Paying for professional development opportunities for teachers in PE and sport
- Providing cover to release primary teachers for professional development in PE and sport
- Running sport competitions, or increasing pupils' participation in the School Games
- Buying quality assured professional development modules or materials for PE and sport
- Providing places for pupils on after school sports clubs and holiday clubs
- Pooling the additional funding with that of other local schools.

How much is our school receiving?

Our school is receiving £8,000 plus £5 for every child on role (aged 5-11). This is approximately £9,600 plus £1,458.44 carried forward from 2013-14
